

NEW! Student Nurse Extern Program

UVA Health | UVA Community Health

Summer 2025

UVA Health Haymarket Medical Center, UVA Health Prince William Medical Center, UVA Health Culpeper Medical Center, UVA Community Medical Group, and associated medical clinics and outpatient facilities became fully owned and operated by UVA Health in July 2021. This exciting alignment brought three community hospitals, a network of primary and specialty medical practices and outpatient centers, a medical staff of more than 850 physicians representing 60 specialties and sub-specialties, and approximately 2,900 team members, providing high-quality care to the communities of Culpeper and Northern Virginia.

UVA Community Health is excited to open applications for its first Nursing Summer Externship. This paid opportunity is geared towards nursing students entering their final year of nursing school. Participants will have the opportunity to apply their classroom knowledge in a clinical setting, working alongside experienced registered nurses to deliver quality patient care. It's an exceptional chance for current nursing students to reinforce their understanding of nursing practices.

REQUIREMENTS:

Must be a nursing student entering their last year of nursing school with a graduation date between June 2026 – May 2027.

IMPORTANT DATES:

Application Submission: Opens November 21st, 2024

Closes: February 1st, 2025

Program Duration: 8 Weeks, Beginning June 9th, 2025

SCHEDULE:

- 36-40 hours, three, 12-hour shifts a week following orientation.
- Candidates must have the flexibility to work either day or night shifts to match the schedule of the preceptor they are paired with.

COMPENSATION:

- \$16.00 hour
