

Why NPGO?

- Be empowered and accountable to make recommendations and decisions related to your clinical practice and patient care outcomes
- Influence and mold your professional nursing practice at UVA Community Health
- Empower the voice of nursing through shared decision making

NPGO Strategic Goal Alignment

- Engage nursing workforce in partnership with all points of patient care services in cultivating the best place to work environment.
- Enhance clinical care through outcome-based nursing professional governance in collaboration with ancillary services.
- Optimize nursing research and innovation to support outperformance in nursing clinical outcomes.

"Amplifying the Voice of Nursing for Autonomous Nursing Practice"
